Catering Policies

Welcome to the Lussier Family Heritage Center! You may have catered here before, however we ask that you review the following before your upcoming event. We currently allow any caterer at our facility, however we do have the right to refuse any caterer. Our allowance of an open caterer policy is reliant on your business following our policies listed below. We hope you have a successful event, and invite you to contact us and setup a tour prior to the event if you are unfamiliar with our facility.

- Caterers are allowed to bring their own linens, or have clients rent ours.
- All deliveries and pick-ups must occur during the client's rental window.
- The caterer is responsible for cleanup of their areas of use.
- A prep kitchen is available, let your client know if you need to utilize this space.
- The LFHC retains no responsibility or liability for items brought onto the property or for any items not removed at the conclusion of the event. Your client will be charged a late fee for items not removed in the approved rental window.
- If you are grilling outside the facility, and an oil or grease spill occurs you will be charged a \$150-300 cleaning fee.
- Absolutely no garbage or grease is allowed in sinks or toilets.
- If you use our Alto-Shaam please only plug in the designated outlet or you will blow a fuse. Kindly clean any mess you might make after use.
- Absolutely no crockpots, slow cookers or Nesco's are allowed. These trip our breakers.
As there are no LFHC staff onsite during the event, these are not permitted.
- Alcohol policy: You are required to file a permit with The Lussier Family Heritage Center and pay a fee if you choose to serve alcohol to your guests. Wedding parties may not charge their guests for alcoholic beverages.

Photography Policy

A photography permit is included with the cost of the facility for the duration of your event. You do not need a separate photography permit, unless you will be taking photos at a separate time from your event.

See our [Photography Policy](#) page for more information.
